

A singer in the tradition of Frank Sinatra. An entertainer with the energy of Louis Prima. If the event you're planning needs music and style to make it memorable, don't settle for any other band. As Mr. Martin puts it: "I try to demonstrate in a relaxed and amusing way, that jazz can be fun and that love never goes out of style." His live performances and CD releases bear this out.

For cocktails, dining and dancing, this is one of the most sought after entertainers in the Northwest. Whether the brassy, swinging sounds of the Johnny and his sextet, or the subtle supper-club vibe of the duo, this is your man. An affable musician with an unforgettable voice, Mr. Martin honors the past performers of radio and stage, with just the right amount of humor. With blue eyes and bold emotion, Johnny takes the lyrics of the past and makes them swing like new !

It takes talent and he's got it. His reputation hangs on every song.

Johnny Martin performs weekly at the 5-star Heathman Hotel in downtown Portland
