

Put on your dancin' shoes! You're about to be introduced to one of the most entertaining, exciting and above all, fun loving rock and roll show and dance bands performing today. And here's the best part...you're invited to join in the good times!

Starting as a party gag in 1978, Johnny Limbo and The Lugnuts have become one the most popular bands to perform the classic hits from the 50's and 60's. The Lugnuts' fame has spread beyond the Pacific Northwest, dazzling audiences from Washington State to Washington, D.C. Their performances have been enthusiastically received at corporate parties, civic celebrations, fairs, fund raisers, concert halls, conventions and televised events.

The long list of annual return engagements is testament to the fact that Johnny Limbo and The Lugnuts is "can't miss" entertainment and a hit with all ages...from kids to grandparents.

Johnny Limbo and The Lugnuts have shared the stage with many national acts including Chuck Berry, Chubby Checker, The Righteous Brothers, The Mama's and the Papa's, Three Dog Night, Jan and Dean, Johnny Rivers, Rick Nelson, The Ventures and Paul Revere and the Raiders. They toured the Far East with stops in Japan, Korea and the Philippines. The Lugnuts played for the Oakland A's baseball team at the opening game and were invited by NIKE to perform for a special party at the close of the Los Angeles Olympics. Each year the list continues to grow.

A Johnny Limbo and The Lugnuts show is a toe-tappin' tour of the Golden Era of Rock and Roll as they play tributes to such legendary artists as Elvis Presley, Chuck Berry, Bill Haley, Buddy Holly, The Beatles, The Beach Boys and The Supremes. The nine member band includes a knockout horn section that really swings on tunes from Memphis to Motown, and a female vocalist allowing the band to feature many of the talented ladies of rock. In addition to the great music, the show features colorful costuming and energetic choreography, which always brings rave reviews.

Johnny Limbo and The Lugnuts emphasize showmanship as well as musicianship, creating a never-ending energy on stage. The electricity created by this sight and sound experience results in packed dance floors at every performance. Ask anyone who has experienced Johnny Limbo and The Lugnuts and they'll tell you..."Rock'n'Roll will never die and the Lugnuts are the reason why."
